## Hong Kong. A world of opportunities.

Hong Kong is the entrepreneur's ideal plug-and-play city. Minimal red tape. Full IP protection. Part of the Guangdong-Hong Kong-Macao Greater Bay Area. Incubators. Accelerators. Capital. All on tap. A vibrant innovation ecosystem that backs transformational thinking in AI, robotics, fintech and biotech. And an exhilarating swirl of art, culture, lifestyle and nature that makes it one of the most liveable, connected, family-friendly cities on earth.
